

Mio  
St. Bartholomew's

Northern Convocation

(989) 826-3993  
789 Ryno Rd. 48647

In the middle of “the mitten”, Mio is a long way from any major highway. The major connection is I-75 to Grayling, then east on M-72 (or US-23 to Harrisville which is the other end of M-72).

The local connection is M-33 north/south which connects again to I-75 south of Rose City. When M-33 connects to M-72 in Mio, turn left (west) to get to the church 2 miles from the intersection.
